POWER OF PRAYER & WORSHIP

ENGAGE IN PRAYER WITH OTHERS

- Partner with your church prayer ministry to pray for freedom.
- Prayer walk in your community. Seek out areas where populations may be more vulnerable (lower-income, hotels, truck stops, playgrounds, etc.)
- Join a 24/7 prayer chain. Start your own or check out www.exoduscry.com.
- The Red Light Initiative. Pray for freedom at every red light.

ENGAGE IN FASTING

- “A God-honoring fast is not just giving up something I need, it also means seeking to meet the needs of those who are oppressed in our world.” (Eddie Byun)
- **Personal fast.** One meal, one day or longer. Pray that your longing for food will be replaced with a longing for justice.
- **Corporate fast.** Participate in a Fast for Freedom, a 40 day Lenten fast in which you can take out or add something to your day (i.e. take out a meal, add 30 minutes of prayer, etc.). Pray for the end of human trafficking and for your eyes to be opened to ways that you can share Hope. You can also do a corporate fast at any time in the year.
- **Slavery-made fast** from slavery-made food and products see www.free2work.org for company ratings).
